What happens once I complete the housing assessment?

Salvation Army: 501 E. 8th Street
Mon,Wed,Thurs,Fri 9AM-4PM
Tues 9-11AM and 2-4PM

If you are eligible for a participating program in the community, once an agency has an opening, someone from that agency will be in contact with you directly to schedule an intake.

ECHO: By phone
512-234-3630
Mon-Fri 9AM-4PM

Once you have completed an intake and are enrolled in a program, you will work with a case manager to find housing.

Completing the housing assessment does not guarantee housing and it is possible that you may not be eligible for any programs.

It is important to remember that if ANY of your contact information changes, please get in touch with any of the three agencies. If we can't find you then we can't help house you!

There is no fixed timeline of when an agency may be in contact with you if you are eligible for a program.

The housing assessment is the first step in your housing search. Connect with different community agencies and ask about their services.
